Dear Residents,

Re: Advanced Notice – Drainage Works on the edge of Ham Green by the Ham Street Shops

We are writing to inform you about upcoming drainage works for the new community centre on the edge of the Ham Green, behind the Ham Street shopping parade. The work will take place between Monday 17th March and Friday 28th March.

This work has been approved by the local council team to ensure the necessary drainage connection for the new Community Centre can be completed. The area will be cordoned off using Heras fencing, and access to the work site will be via the hoarding from inside the site.

Please see the marked-up plan for more details on the specific areas affected.
